

Reporting Noncredit Educational Program Outcomes

LMI Researchers' Roundtable

June 6, 2018

Project History

MoSCORES

TAACCCT Grant #4 – MoSTEMWINS

- Missouri and Massachusetts received an additional grant to develop systems to report **noncredit** program outcomes

Missouri Community College Association/Consortium

- 12 two-year public Institutions
- State Technical College

Getting Started

MoSCoRES

Strengths

- Prior state agency collaboration on WDQI projects
- Wage Explorer
- Multi-agency MOU for data sharing

Challenges

- Decentralized community college system
- Multiple software packages for tracking noncredit students
- Collecting SSNs

Data Advisory Task Force

MoSCORES

Members from the Consortium

- Institutional Research
- Workforce Development
- Eligible Training Provider System
- State agency staff
- MCCA

Major Accomplishments

- Supplemental Noncredit Data File
- Consensus on data collection and measures
- Program Upload Files

Supplemental Noncredit Data File

Column Names that are in bold italic print are new fields that would be added to EMSAS. Blue text represents the revisions based on feedback from the February meeting. Red text represents feedback received through e-mail. The file layout is divided into logical data sections that have been color-coded for easy reference.
