

## Regional Roundtable 2018

### “Group Therapy Topics”

- Emerging New Tools: Your Latest and Greatest Resources
- How do you use social media to promote your research?
- How can you generate revenue for your organization through your research?
- What commercial real estate sources do you use internally or to populate your website?
- What professional development have you recently completed or plan to do this year? Anything specific that you would recommend?
- Answer the Hard Questions: Ways to Deal with Difficult to Find Data
- Oddball Questions/War Stories

*Please designate one person at your table to take notes. After the session, we'll compile the ideas from every table and email to all Regional Roundtable attendees.*
